In the community there are several groups already created by the officials, please enter all groups in the community.

## II. PARKING NEAR THE TRACK AND ON THE CAMPING SITE

### Parking near the track

There will be limited parking at the event site. Please do not travel with a lot of cars to the event site from the camping. ONLY passenger vehicles are allowed and a maximum of 2 vehicles per team will be allowed on the parking for the teams at the event site. No trucks, vans etc. transporting the team's equipment will be allowed to park on the parking area next to the track.

Every team will get 2 parking passes at the registration for 2 cars which can park on the event site parking. Please put the parking pass on the wind shield glass to be visible from outside.

Please be aware that the parking is limited and that penalty points can be given for misbehaving on the parking.

The photo below is showing the team parking next to the event site:

### Parking on the camping site

Next to the camping site will be the main parking of the event. After unloading at the pits and the load on the camping site, please park your vehicles on the designated parking area next to the camping site.

### III. SHOPS, INFO POINTS

#### Info Point of Touristic Office of Velika Gorica

The Touristic office of the city of Velika Gorica will be at your disposal for questions regarding nearby restaurants, shops, and overall information regarding the city. You're always welcomed to ask questions there. Located in the Event Central [1].

A food truck will be available on the spot from Munchy:

### IV. TEAM REGISTRATION

#### REGISTRATION ON THE SPOT

The team first arrives at the track to the registration office/info point located at the Event Central [1] – see map of the track for more information regarding the exact location. Only the team captain accompanied by one team member will be allowed to do the team registration.

The team should bring a filled out Waiver of and the Consent for the platform Sharelook Liability (template available on the official web site under Waiver of Liability) to the registration and a deposit [€30] for the dynamic/media vests. The deposit for the data loggers [€50] will be collected later (the teams will be informed on time).

For drivers and ESOs the ID's will be checked before handing out the bands. Drivers and ESO's can come to the registration office after the registration of the team to pick up their bands and to identify themselves with an ID. This will be possible for the whole duration of the event.

## MOVING INTO THE PITS/CAMPING SITE

During the team registration you will get further information about your move into the pits/camping site. The pits as the camping spots will be assigned to every team in front, no rule first come - first serve. Moving into the pits will be possible immediately after the team registration on the 21<sup>st</sup> of August.

Every team will have about 15 minutes to unload their equipment on the track and to move the vehicle/s outside of the event area. After the unloading of the vehicle/s the team can move into the camping site where the parking for all vehicles will be – trucks, vans and passenger cars not needed on track.

It is allowed for the team to parallelly move into the pits and into the camping site if announced at the registration and approved by the officials.

**Please be patient! There is no need to hurry since we have a whole day for registration, moving into the pits, we will do everything in time as we did in the previous years, enjoy the process.**

## V. CAMPING SITE INFORMATION AND RULES

The camping spots for every team will be about 15x15 m (according to the team size by the TMRF).

Each team gets one electricity connection (230V, 16A, 50 Hz, Type C a.k.a. EU connection) on the electrical cabinet and they must pull the extension to the spot. All electric cabinets have a plastic bag/cover on them - after connecting to the electricity, put the bag back on the cabinet. It is not allowed to use damaged equipment - torn/patched cables, etc., which can trip the safety switch on the cabinet and turn it off/damage it.

Cooking is allowed and must be done under the supervision of a team member. Cooking with the fire (gas, wood) must be done in a controlled conditions - not near flammable objects and not in a closed tent.

All cooking equipment must be turned off and secured when not in use (gas grills, gas cylinders, etc.)

Smoking is allowed on the camping site, but the cigarettes must be extinguished and properly disposed of into the trash bins.

Please sort the garbage into designated containers.

After arrival, remove all vehicles from the camp to the parking lot unless otherwise approved by the camp manager.

Clean up after yourself! This goes for all parts of the camp - camp spot, showers, toilets, stations for washing dishes.

Do not leave valuable things unattended, we are not responsible for any losses.

Please make sure to set up your camp properly in case of rain/wind etc.

Please do not leave the camp with loose tent tightening's!

Your camping spot is also part of the event so penalty points can be given for any misbehaving on the camping site.

## **FORKLIFT**

In case you are in need of a forklift at the event site or at the camping site, please get in touch with [adriana.dugum@fs-alpeadria.com](mailto:adriana.dugum@fs-alpeadria.com) with the information of the object you need the forklift for and also the mass of the object and/or other useful information.
