The layout and accompanying legend for the locations ⁽¹⁾ is found in [Official Competition Handbook](#).

The organizers reserve the right to make changes to the event schedule.

If a team/team member fails to leave the Event Site (pit and track area) by the specified time on a particular day or re-enters before the event site opens the following day, they can receive a penalty or be disqualified from the competition. This is to prevent teams from gaining an advantage by having more work time and to ensure the safety of the participants.
